

About Norton Healthcare

For 130 years, Norton Healthcare's faith heritage has guided its mission to provide quality health care to all those it serves. Today, Norton Healthcare is a leader in serving adult and pediatric patients throughout Greater Louisville, Southern Indiana, the commonwealth of Kentucky and beyond. The hospital and health care system is the Louisville area's third largest private employer, providing care at more than 210 locations throughout Greater Louisville and Southern Indiana. The Louisville-based not-for-profit system includes five Louisville hospitals with 1,837 licensed beds; seven outpatient centers; 13 Norton Immediate Care Centers; more than 13,000 employees; more than 750 employed medical providers; and approximately 2,000 total physicians on its medical staff. In 2015 Norton Healthcare was named by Healthiest Employers as the 11th healthiest place to work in the country. More information about Norton Healthcare is available at NortonHealthcare.com

Job Description:

The Advanced Respiratory Care Practitioner is responsible for the initiation of respiratory protocols and/or the evaluation of protocol steps that will include all modalities of therapy.
