

The rising STAR of Texas

ASSISTANT PROFESSOR or ASSOCIATE PROFESSOR

The Department of Respiratory Care at Texas State University invites applications for two tenure-track faculty positions at the assistant professor or associate professor rank for a nine-month appointment, and also includes a full-time summer teaching contract. Rank and salary will be commensurate with the candidate's experience and qualifications. Responsibilities include didactic and laboratory instruction in the graduate and undergraduate respiratory care programs. Positions will require teaching on the San Marcos campus Fall 2017 through Spring 2018 and then on the Texas State University Round Rock campus thereafter. For more position details, full job description and application submission, please refer to Job Posting <https://jobs.hr.txstate.edu/postings/18805>. Only applications submitted through the Texas State University website will be accepted and considered. Review date: 01/31/2017. Positions closed when filled. Texas State University-San Marcos is an EOE and tobacco free institution.
