

Director of Clinical Education, Respiratory Therapy Program

The Lansing School of Nursing and Clinical Sciences at Bellarmine University invites applications for a 9-month tenure track appointment as Director of Clinical Education, Respiratory Therapy Program. The position is available beginning August 15, 2019.

Responsibilities include oversight of both graduate and undergraduate respiratory therapy clinical experiences. In addition, responsibilities include classroom, laboratory, and/or clinical teaching. Teaching responsibilities include disease management, therapeutic modalities, mechanical ventilation, and cardiopulmonary monitoring. Salary and rank are commensurate with experience and qualifications. An active research/scholarship trajectory is expected for a tenure track appointment. For more information at the program, see <https://www.bellarmino.edu/lansing/respiratorytherapy/>

Requirements:

- Master's degree in respiratory therapy or related field required, with a doctoral degree strongly preferred. Doctoral degree required for tenure track, ranked appointment
- Required: Unencumbered license to practice respiratory therapy in Kentucky or ability to obtain such licensing if hired
- Required: Registered Respiratory Therapist credential
- Required: A minimum of four (4) years of experience as a Registered Respiratory Therapist
- Required: A minimum of two (2) years of experience teaching in a CoARC accredited respiratory care program either as an appointed faculty member or as a clinical preceptor
- Preferred for tenure track appointment: Ongoing research/scholarship
- Preferred: online teaching experience

Please submit a letter of interest, CV, all unofficial transcripts, teaching philosophy statement, and contact information for three professional references to Dr. Carol Smith, Search Committee Chair, via this link: <https://www.interviewexchange.com/jobofferdetails.jsp?JOBID=103277>. Applications must be online and will not be considered until all required items have been submitted.
