| <b>Disclaimer</b>                          | Liberty University's hiring practices and EEO Statement are fully in compliance with both federal and state law. Federal law creates an exception to the "religion" component of the employment discrimination laws for religious organizations (including educational institutions), and permits them to give employment preference to members of their own religion. Liberty University is in that category.   |
