

**Tenure Track (TT) or Non-Tenure Track (NTT) Position Description
(Log#23-084) or (Log# 23-085)**

DEPARTMENT OF RESPIRATORY THERAPY
LEWIS COLLEGE OF NURSING AND HEALTH PROFESSIONS
GEORGIA STATE UNIVERSITY

The Department of Respiratory Therapy in the Lewis School of Nursing and Health Professions at Georgia State University in Atlanta invites applications for a 9-month non-tenured track position at the rank of Clinical Instructor or Clinical Assistant Professor **or** a 9-month tenure track position at the rank of Assistant or Associate Professor.

The position offers an exciting opportunity to begin or further a career in respiratory therapy education in a large, well-established program. Bachelor, Master and Doctoral degree programs are offered in respiratory therapy. Join a team of well-respected faculty, with almost 200 students and multiple large, well-equipped clinical sites. Teaching is valued and collaboration is required. The Department of Respiratory Therapy is located in a large urban university and affiliated with major medical centers throughout the metro Atlanta area and United States.

Teaching, student and research laboratories in the Department of Respiratory Therapy are housed in the Parker H. Petit Science Center, a 50,000 square-foot state of the art facility houses programs in biology, chemistry, nursing, nutrition, public health, respiratory therapy and the Georgia State University Neuroscience Institute. Additional information about the Department of Respiratory Therapy can be found at this URL:

<http://respiratorytherapy.gsu.edu/>

Tenure track applications from registered respiratory therapists (RRT) who hold a minimum of a doctoral degree (PhD, EdD, ScD) will develop or advance a focused program of funded research and teaching in the undergraduate and/or graduate programs and have at least 2 years of research, clinical and/or didactic teaching experience should apply. Candidates must be eligible for licensure in Georgia. Teaching responsibilities will depend upon the needs of the department and the abilities of the candidate. Preference is given to candidates with experience in teaching respiratory therapy modalities, research methods, statistics and biostatistics.

Non-tenure track applications from registered respiratory therapists (RRT) who hold a minimum of a Master's degree, with 18 hours in the major of respiratory therapy and have at least 2 years of clinical and/or didactic teaching experience should apply. Candidates must be eligible for licensure in Georgia. Candidates must be willing to begin a doctoral program within 12 months of hire. Teaching responsibilities will depend upon the needs of the department and the abilities of the candidate. Preference is given to candidates with experience in clinical direction at a hospital or a CoARC accredited program, as well as advanced credentials such as AC-E, RRT-ACCS, RRT-NPS.

Georgia State University is the Southeast's leading urban research institution with over 20 Schools and academic units and grants degrees in more than 250 programs. Georgia State University offers educational opportunities for traditional and nontraditional students at both the graduate and undergraduate levels by blending the best of theoretical and applied inquiry, scholarly and professional pursuits, and scientific and artistic expression.

Salary is competitive and is commensurate with experience and qualifications. A benefits package that includes major health, dental and life insurance, as well as tuition remission and pension is available.

Review of applications begin immediately; the search will remain open until the position is filled. The position will begin August 2022.

Screening of applicants will begin immediately and continue until the position is filled.

To apply, please provide the following information:

1. Letter of application, summarizing your experience and qualifications for the position
2. Curriculum vitae
3. Final candidates will be asked to provide contact information for three references and an official transcript of all degrees completed.

Submit electronic applications to **Mr. Joshua Roach** at jroach6@gsu.edu. Please include **Respiratory Therapy Search Committee (Tenure-track Log#23-084 or Non-tenure track Log#23-085)** in the subject line.

Questions regarding the positions may be directed to the chair of the search committee, **Dr. Doug Gardenhire**, dgardenhire@gsu.edu Chair and Program Director, Department of Respiratory Therapy.

Georgia State University is an Equal Opportunity/Affirmative Action university and accommodates individuals with disabilities. All applicants must comply with the Immigration Reform and Control Act. Women and minorities are strongly encouraged to apply.
